Bruno Solia

Partner, MinterEllison

Bruno brings over a decade's worth of experience advising Australian and international clients in relation to technology projects.

As part of his practice, Bruno routinely acts on technology and data-related transactions in the broader Australasian region. Bruno draws on his experience and his pragmatic approach to risk management to resolve complex challenges favourably.

Bruno is also well versed in advising on the technology and data aspects of M&A transactions, including in relation to transitional services and separation matters.
