

Melanie Skinner

National Rehabilitation Manager, Injury Management, Health & Wellbeing, Personal Injury, Allianz Australia Insurance Limited

Commencing with Allianz in 2001, and working in various roles, Melanie Skinner has developed rich experience in personal injury schemes across both CTP (2019 to date) and workers compensation (2001–2019). Melanie completed her tertiary qualifications in Business, majoring in Human Resource Management, and in her current role as Operations Program Manager is responsible for establishing a framework of innovative and value-based programs and initiatives which support a positive customer experience. She is also responsible for leading a panel of rehabilitation providers to deliver best practice rehabilitation services.
