

## Andrew Tiedt

Director and Principal, J Sutton  
Associates

Day 1 –The Curious Lawyer

*Rome Wasn't Built in a Day: Creating  
meaningful impact through your brand*

### About Andrew Tiedt

Andrew is a Director and Principal of J Sutton Associates. He is an Accredited Specialist in Criminal Law. He has spent his entire career working exclusively in criminal law.

Andrew has acted for thousands of clients who had been accused of criminal offences. These matters have included high profile and sensitive prosecutions, and complex matters where expert advice and advocacy have made all the difference.

This has included appearing for persons charged with murder, sexual offending, fraud, serious driving offences, drug supply and possession, violence, and internet based offences. As well as his work in the higher courts, he has acted for many clients with less serious allegations, including driving and regulatory offending.

He is also one of the few private solicitors in NSW who appears in jury trials without counsel.

Andrew has attracted large following in LinkedIn where his daily case notes have been incredibly popular. He is also the curator of [www.trialdirections.com.au](http://www.trialdirections.com.au)
