

Larry Noble

Principal Solicitor at Larry Noble and Associates

Larry has had extensive experience in many areas of the law including commercial law, information technology, intellectual property, litigation and Conveyancing. He has been a partner in a law firm, has run his own business and been an advisor to government. Since retiring 3 years ago Larry is now currently a consultant to a software company, a large city firm and a suburban practice. In addition, he has taught the Conveyancing and commercial law courses for the Law Society for a number of years.
