

# Lucy Tang

## Manager, Sedgwick Forensic Accounting Services

Lucy Tang is a Manager in Sedgwick's Forensic Accounting Services Sydney team and is an experienced forensic accountant and investigator. She was a practising solicitor, initially advising on in-house corporate matters then advising on law practice receiverships, managerships, and conducting investigations into law practice defalcation. She then moved to the US where she joined the consulting team of a public accounting firm and worked in forensic accounting, focusing on fraud investigation, divorce, business valuations and insurance recalls. She has extensive asset tracing experience, having led and organised teams across the US, UK and Asia-Pacific
